

YEAR 3 HOMEWORK TASKS AUTUMN TERM

- The tasks described below are designed to be meaningful and enjoyable activities that you can do with the support and involvement of other members of your family.
- **The first 3 tasks, shown in red, must be completed.**
- You may then choose to do as many of the other activities as you wish - one, two or even all of them, it's up to you!
- Think about how you will show which tasks you have done - e.g. photos with explanatory notes; a diary; a scrapbook perhaps?...
- Completed homework tasks should be handed in by **Friday 15th November 2021**
- Please be in touch if you have any questions... Enjoy!

SPELLING:

Practise spelling and complete weekly spelling homework as usual. Practise your words for a few minutes most days and remember to bring in your spelling book on Friday.

X-TABLES & SUMDOG:

Choose a multiplication table and practise it until you know it very well. Ask someone to test your knowledge of the table, perhaps when you are travelling in the car or walking somewhere. You could even have a race against a relative! By the end of Year 3, children are expected to know their 2,3,4,5,8 & 10 x-tables. Remember to logon to Sumdog for lots of fun maths games.

READING:

Reading has a huge impact on your child's learning. Reading books will be changed on a Wednesday and Friday so please bring your red reading record with your reading book on those days. To ensure your child is understanding what they read, please make sure that they their book more than once. Then when you are ready, complete the accelerated reader quiz online.

COOK A NUTRITIONALLY BALANCED MEAL

Get your chef hat on and create you and your family a nutritionally balanced

meal. There's plenty of excellent information on the Phunky Foods website to help you design your meal: <https://www.phunkyfoods.co.uk/recipes/>

VISIT SWINSIDE STONE CIRCLE

This is one of Britain's finest stone circles! Explore, take some photos and find out what you can about it.

(Location: 4km west of Broughton, turn off A595 at Broadgate. Parking at start of track, then 1.5km walk).

MAKE YOUR OWN VERSION OF A STONEAGE TOOL

FUEL YOUR OWN PASSION TO LEARN

Do some of your own **research** about an aspect of the Human Body or the Stone-age that interests you. Produce a factsheet to show what you have found out. Try to include at least 3 facts & 1 picture on your sheet.

MAKE YOUR OWN STONE-AGE SHELTER

During the Stone-age people built shelters using natural resources such as leaves, grass sticks, mud, clay and even mammoth's leg bones & tusks. Have a go using only natural resources - you could put it in a shoe box and create your very own stone-age scene.

CHALLENGE YOURSELF TO TRY SOMETHING NEW!

This is as wide open as you can get guys. It could literally be anything! You could learn to follow a recipe; start a journal, learn one new word, try a new sport, learn to make yourself breakfast in the morning.... it does not matter how big or small - the possibilities are endless!
