

YEAR 5 HOMEWORK TASKS

Autumn term

- The tasks described below are designed to be meaningful and enjoyable activities that you can do **with the support and involvement of other members of your family.**
- **The tasks, shown in red, must be completed.**
- You may then choose to do as many of the other activities as you wish – one, two or even all of them, it's up to you!
- Make a **scrapbook** to show evidence of the tasks you have done.
- Completed homework tasks should be handed in anytime during this term.

Times tables

Children are to regularly practise all multiplication facts and division facts for all times tables up to 12.

For example: $6 \times 5 = 30$ $5 \times 6 = 30$
 $30 \div 6 = 5$ $30 \div 5 = 6$

This can be done on Sumdog, playing times tables games at home or free worksheets available online.

Spellings:

Every two weeks, children will be given common exception words to be either read or spelt at home.

Children will be tested and, if spelt correctly, new words will be assigned. If spelt incorrectly, the children will have them for another fortnight.

Regular Reading:

Read or share what has happened in your story with an adult. It does not have to be a story it could be a leaflet from a place you have visited; newspaper article or sports magazine.

In Year 5 we expect the children to read at least 5 times a week out of school. Children will be awarded 3 dojo points for every week they read 3 times or 5 dojo points during the week./

Create a Viking long ship out of materials of your choice. It can be as large or as small as you like! Can you test it to see if it floats?

Download a free stargazing app and look into the night sky to see if you can locate the different star constellations and possibly see some planets!

Research a Viking god of your choice then design a wanted poster for the god you have chosen. Make sure you write a clear and detailed description.

Challenge yourself to **try another new activity!**

e.g. try a new craft;
learn new gymnastics move;
try a new food...

The possibilities are endless!

Continuing on from our lesson on Viking Runes, can you create some Viking jewellery with your initials in runes?

Can you design and create your own poster or PowerPoint to showcase all of your knowledge about space!
