Attendance Matters

Every Day Counts....

What is considered good attendance? Regular and punctual attendance is essential for effective learning, promoting positive relationships and developing good attitudes to education. **A child's attendance at school is expected to be 96% and above.** Anything that is below this needs to be addressed by school to ensure attendance improves. We need to ensure that all children attend school regularly as it is important for friendships and academic progress/success.

Key daily timings:

8:50 to 9:00 → Register takes place
After 9:00 → Late mark in register
After 9:30 → unauthorised absence
