

## Haverigg Primary School

### School Closure January 11<sup>th</sup> 2021

Whole School Information – no action required.

As you may already be aware, we have, this morning, had confirmation of 2 positive Covid-19 cases in children who attended school at the end of last week. Due to the numbers of children who may have had contact in school last week and also the highly transmissible new variant of the Covid-19 virus, **the governors and I have taken the decision to close school to all for the next 10 days.** This is not an easy decision to make, but we feel, in the current climate that it is the safest option for all.

We will contact all critical workers and vulnerable families, who already had an agreed place in school, with the exact return date as soon as we have it confirmed.

Thank you for all of your support. We will keep you updated with any further information. Take care everyone.

Mrs Narongchai
