Dear Parents and Carers,

Many thanks for all of your feedback regarding our RSHE policy and curriculum. Your comments and suggestions have enabled us to finalise our policy document and firm up plans for September.

The final policy is now on the website if you would need to refer to it and as requested by so many of you, our plans for September will now include year group parent/carer meetings to enable you to view the resources we will be using and ask any further questions. In addition, we will be sending out an information letter at the start of each unit we teach throughout the year to provide you with an overview of the lessons and to enable you to continue conversations at home. If you need any support or have any questions we are always here to help and discuss these.

We very much view this as a partnership, teaching our children to grow into well rounded, tolerant young people with a healthy view of the world around them and the skills to navigate it safely.

Thank you again for the time and thought you have given already and we look forward to starting to fully teach this new and vital curriculum area in September.

Yours sincerely

Head teacher
