

CUMBRIA COUNTY COUNCIL MODEL INFECTION PREVENTION CONTROL SCHOOLS OPERATIONS RISK ASSESSMENT

Model risk assessments (School Operations and School Premises) and supporting guidance on operating procedures have been developed for maintained schools and settings in consultation with our trade union colleagues and relevant service areas. Each maintained setting should undertake their own risk assessment following this format – Cumbria County Council, as the employer in the above settings, will support and guide governing bodies and school leaders to manage a planned and safe gradual return to school but recognises that local decisions to open or not **MUST** follow a risk-based approach appropriate to the resources and capacity of each individual setting. Other types of schools are welcome to use these models to help their own planning and risk assessment approach but must ensure that they prioritise their own employer's health and safety management procedures.

This document is a template to be used to help governing bodies and headteachers develop and tailor a site-specific risk assessment in relation to infection prevention control including ongoing controls for COVID-19.

Below is a list of potential of hazards within our premises and the recommended control measures which apply to the majority of settings to aim to help you manage risks to the lowest possible level. Controls shown follow current available guidance and best practice.

Headteachers and governing bodies are responsible for monitoring the advice and guidance available, ensuring risk assessments and safe working practices are updated where applicable and cascaded through to employees. They must ensure that compliance is monitored, and any emerging issues addressed appropriately.

PLEASE NOTE: Schools and trusts should work closely with parents and carers, staff and unions when agreeing the best approaches for their circumstances. Your risk assessments should outline **YOUR** agreed control measures following your local planning processes – any additional control measures you identify as being required should be added to the additional controls column, along with who is responsible and a timescale. Likewise any suggested control measures included in this model that **do not apply** to your setting can be removed. All employees working within the premises should receive site-specific information on the controls implemented within their workplaces. Those measures in *italics* are beyond what the Government advises but can still be used part of a range of protective measures at the discretion of the Headteacher/Senior Management Team etc.

Help and support with the development of your risk assessment is available through the County Council's Corporate Health and Safety Team at healthandsafety@cumbria.gov.uk.

Please note that the Local Authority is liaising with contractors working on its behalf to ensure that they are undertaking effective liaison with occupiers **BEFORE** attending site – contractors are asked to provide key information in relation to how they are managing infection control.

This risk assessment refers to current national guidance, which is listed at the end of this document, and within accompanying guidance.

Likelihood:

Very unlikely, e.g. 1 in 1,000,000 chance of it happening
Unlikely, e.g. 1 in 100,000 chance of it happening
Possible, e.g. likely to occur during standard operations
Likely, e.g. has been known to happen before
Very likely, e.g. it is almost certain that something will happen

Severity:

Insignificant	No injury
Minor	Minor injuries requiring first aid
Moderate	First aid/RIDDOR reportable incident
Major	Serious injury/hospital attendance
Most severe	Disabling injury, long term ill-health or fatality

15-25 Unacceptable.

Stop activity and make immediate improvements

6-12 Tolerable

Look to improve within a specified timescale

1-5 Acceptable

No further action, but ensure controls are maintained

	Severity					
		1 Insignificant	2 Minor	3 Moderate	4 Major	5 Most Severe
Likelihood	5 Very Likely	5 Low Risk	10 Medium Risk	15 High Risk	20 High Risk	25 High Risk
	4 Likely	4 Low Risk	8 Medium Risk	12 Medium Risk	16 High Risk	20 High Risk
	3 Possible	3 Low Risk	6 Medium Risk	9 Medium Risk	12 Medium Risk	15 High Risk
	2 Unlikely	2 Low Risk	4 Low Risk	6 Medium Risk	8 Medium Risk	10 Medium Risk
	1 Very Unlikely	1 Low Risk	2 Low Risk	3 Low Risk	4 Low Risk	5 Low Risk

RA reference	<i>Covid-19 September 2021</i>	Activity description	Infection prevention and control – during COVID-19 pandemic
Assessment date	<i>27.08.2021</i>	Assessor name:	<i>Headteacher</i>
Assessment team members	<i>M Narongchai V Lewis Governing body Haverigg primary School</i>	Planned review date	Half termly reviews: October 21 st 2021
Location	<i>: Haverigg Primary School</i>	Number of people exposed	<i>195</i>
Overall residual risk level following implementation of effective control measures	<p>Medium risk <i>Step 4 of the Government Roadmap came into force on Monday July 19th, 2021</i></p> <p>Professionals in Public Health, Health and Safety and LA services will continue to work closely with recognised trade union colleagues to promote safe working procedures, suitable safety controls and limit risk.</p>	People exposed	All employees Pupils Visitors
<p>DfE helpline 0800 046 8687 (select option 1 for advice on action to take in response to a positive case) educationIPC@cumbria.gov.uk – for advice in event of either Threshold being met in school.</p>			
Assessment last updated	<i>27.08.2021</i>	Is this an acceptable risk?	Yes/ No
<p>Training: All staff will receive training and information proportionate and relevant to the activity that is being undertaken.</p> <p>Monitor and review: This risk assessment and its implementation will be monitored on at least a weekly basis and will take account of any new or updated guidance and ensure that the control measures remain relevant and effective.</p> <p>Communication and consultation: Regular updates will be provided to all staff thorough team meetings/staff bulletins – feedback and comments will be welcomed. Copies of this risk assessment will be available on our school website.</p>			

CUMBRIA COUNTY COUNCIL MODEL INFECTION PREVENTION CONTROL SCHOOLS OPERATIONS RISK ASSESSMENT

¹**From 16 August 2021:** children under the age of 18 years old will no longer be required to self-isolate if they are contacted by NHS Test and Trace as a close contact of a positive COVID-19 case. Instead, children will be contacted by NHS Test and Trace, informed they have been in close contact with a positive case and advised to take a PCR test. We would encourage all individuals to take a PCR test if advised to do so.

Hazard description and how people are at risk	Potential risk	Current control measures (those that are in place)	Additional control measures (to be identified and implemented)	Residual risk	Action details by whom by when
Hazards in relation to staffing and daily operation during COVID-19 pandemic	9	<ul style="list-style-type: none"> <input type="checkbox"/> In the event of an outbreak, we will follow Local Health Protection advice. Email - educationIPC@cumbria.gov.uk <input type="checkbox"/> Information posters highlighting the symptoms of COVID-19 are prominently displayed throughout the premises. <input type="checkbox"/> Ongoing communications (posters, emails, inductions briefings toolbox talks) are provided to all employees, pupils, and visitors. <input type="checkbox"/> Staff and pupils are advised that they must not come into school if they have Coronavirus (COVID 19) symptoms (a high temperature, a new continuous cough, loss of taste or smell), or they have had a positive LFT. <input type="checkbox"/> ²Staff and pupils travelling from abroad will adhere to travel legislation as set out in Government travel advice. <input type="checkbox"/> School staff will be asked to continue to <u>voluntarily</u> participate in asymptomatic testing 	<ul style="list-style-type: none"> <input type="checkbox"/> Catch it Kill it Bin it Poster on Schools Portal <input type="checkbox"/> e-Bug COVID-19 website <input type="checkbox"/> The headteacher reserves the right to refuse a pupil's attendance in school if in their reasonable judgement the rest of the pupils and staff are at risk of possible infection. 	6

		<input type="checkbox"/> ⁵ We will continue to follow government guidance regarding the use of ⁶ face coverings. <input type="checkbox"/> We will continue to keep a small supply of face masks in the event of a change to local public health guidance due to any rise in cases. <input type="checkbox"/> We will continue to encourage all staff to undertake twice weekly home tests until the end of September 2021.	programme where necessary.		
Hazards relating to close contact with symptomatic persons	9	<input type="checkbox"/> We will continue to follow public health advice on testing, self-isolation and management of confirmed cases of COVID-19. <input type="checkbox"/> We will send home anyone who develops symptoms, however mild whilst in school. <input type="checkbox"/> We will continue to make a space available for any symptomatic pupil who is awaiting collection <input type="checkbox"/> We will ensure that there is adequate ventilation in the room and a supply of PPE available in case close contact is necessary. <input type="checkbox"/> We will ensure that appropriate adult supervision is available.	<input type="checkbox"/> ⁷ We will encourage staff to take a PCR test if they are contacted by NHS Track and Trace <input type="checkbox"/> We will arrange for the pupil to be collected rather than use	6	

⁵ The government has removed the requirement to wear face coverings in law but expects and recommends that they are worn in enclosed and crowded spaces where you may come into contact with people you don't normally meet. This includes public transport and dedicated transport to school or college.

⁶ Face coverings may still be included as part of a range of protective measures in secondary schools and colleges

⁷ Staff who do not need to isolate, and children and young people aged under 18 years 6 months who usually attend school, and have been identified as a close contact, should continue to attend school as normal. They do not need to wear a face covering within the school, but it is expected and recommended that these are worn when travelling on public or dedicated transport.
