We have introduced a program to all year groups at school called my Happy mind. This is all based around helping children to understand how their brain works and to support them in developing positive skills and habits to be their very best selves! You will have received information regarding this via Whole School Dojo last week. Below is a reminder of the link to access materials.

Thank you for your patience and understanding with our School Money system. We have had a few glitches at the start of this year and are still ironing out some of these! As always, please give us a call in the office if you are having problems. Thank you.

### Attendance Matters

### Every Day Counts....

**What is considered good attendance?** Regular and punctual attendance is essential for effective learning, promoting positive relationships and developing good attitudes to education. **A child's attendance at school is expected to be 96% and above.** Anything that is below this needs to be addressed by school to ensure attendance improves. We need to ensure that all children attend school regularly as it is important for friendships and academic progress/success.

#### Key daily timings:

8:50 to 9:00 → Register takes place  
After 9:00 → Late mark in register  
After 9:30 → unauthorised absence
