

Haverigg Primary School - Year 1 – Spring 1 - Learning Plan

As **readers and writers** we will know and remember...

- how to read and write with the Read Write Inc programme through phonics based activities and books
- stories about journeys and places: The Naughty bus, Mr Gumpy's Motor car, The Little Red Train.
- books about food, transport, animals and different cultures around the world.
- how to write about travels and adventures.

As **geographers** we will know and remember....

- where we live and places we could travel to in the United Kingdom, and the world.
- how to explore maps of the local area, the UK and the world.
- that places can be linked through road, rail, water and air transport.
- that some countries in the world are hotter than the UK: comparing living in Africa to living at home.
- where our food comes from.
- how to; make simple maps, role play being on different forms of transport and use small world play to investigate types of transport.

As **computer technicians** we will know and remember....

- how to use Google earth to explore where we live as well as other areas of the UK and some areas around the world.
- how to use the program 2Publish to create a poster looking at and comparing vehicles, past and present. We will learn how to copy and paste pictures, type and click and drag to draw.

As **mathematicians** we will know and remember....

- how to find and make number bonds to 10 and 20
- to add by counting on and by making 10
- to subtract by counting back
- to count forwards and backwards within 50.
- how to find and identify how many tens and ones are in a number
- what is one more and one less than a number within 50
- to count in 2s, 5s and 10s.

Transport all around the world

As **artists and designers** we will know and remember...

- how to print using different objects to produce different designs.
- the techniques Vincent Van Gogh used in his paintings especially his sea pictures.
- how to mix colours
- how to use different joining techniques to make 2D vehicles

As **Historians** we will know and remember...

- facts about transport in the past.
- how to make comparisons between transport used in the past and now.
- the history of shipbuilding in Barrow.

As **scientists** we will know and remember...

- How to investigate materials and their properties by; sorting and grouping, observing closely and doing experiments, making predictions and recording our findings.
- that you can make plasticene and other materials float by changing its shape.
- that animals can be grouped according to what they eat, either carnivores, herbivores or omnivores.

As **British Citizens** we will know and remember....

- our school values
- how to recognise strengths and respect differences in people

As **sporty active children** we will know and remember....

- how to show increasing control and awareness of the space around us.
- how to explore dance using different music and equipment.

As **musicians** we will know and remember...

- songs and rhymes
- how to listen and respond to different types of music
- rhythms; playing instruments of different materials with different sounds.
