

Year 5 Homework Tasks

Summer term

The tasks described below are designed to be meaningful and enjoyable activities that you can do with the support and involvement of other members of your family.

- The tasks, shown in red, must be completed.
- You may then choose to do as many of the other activities as you wish – one, two or even all of them, it's up to you!
- Make a scrapbook to show evidence of the tasks you have done.
- Completed homework tasks should be handed in any time before we finish for the Summer holidays.

Times tables

Children are to regularly practise all multiplication facts and division facts for all times tables up to 12.

For example: $6 \times 5 = 30$ $5 \times 6 = 30$

$30 \div 6 = 5$ $30 \div 5 = 6$

This can be done on Sumdog, playing times tables games at home or free worksheets available online.

Spellings:

Every two weeks, children will be given common exception words to be either read or spelt at home.

Children will be tested and, if spelt correctly, new words will be assigned. If spelt incorrectly, the children will have them for another fortnight.

Regular Reading:

Read or share what has happened in your story with an adult. It does not have to be a story it could be a leaflet from a place you have visited; newspaper article or sports magazine.

In Year 5 we expect the children to read at least 3 times a week out of school. Children will be awarded 3 dojo points for every week they read 3 times or more during the week.

With help from your parents, conduct some research on your own house. Can you find out when it was built? Has it always been a house or has it been something else previously i.e. a shop or a barn?

Once you have done that, can you do similar with other members of your family? Can you find out who has the oldest house within your family?

Choose one worldwide river to learn about using information books and the internet. Write a leaflet about your chosen river to record your findings. Include a title, headings, pictures and facts.

Can you get outdoors and attempt to climb some of the hills and fells close by? Can you even attempt to climb Blackcombe?

With the better weather coming, can you get outside and use your landscape drawing skills from LS Lowry to sketch the background, mid ground and foreground of a scene in our local area.

Can you use your photography skills if you come across a body of water (sea, river or lake)? Can you take a photo and send it in to Dojo. We can then create a collage showing the path of a river from source to mouth.

We are so lucky to live so close to the beach! If you find yourself at the beach can you create some of your own beach art? Then photograph it and send it via Dojo.

Could you (with adult supervision) do a mini beach clean to keep our local area clean and litter free?
