

As readers and writers we will :

- explore stories: The Naughty bus, Mr Gumpy's Motor car, The Little Red Train.
- write postcards from our travels.
- write stories going on different travels.
- Using adjectives to describe the taste and texture of the fruits mentioned in Handa's Surprise.
- explore information books about different types of transport and different countries around the world.

As information technicians, we will be exploring...

- Google Earth - looking at where we live and exploring the rest of the UK.
- Facts about the UK- using word to type them.
- Labelling a map.

As Mathematicians we will be learning to...

- Add and Subtract
- Identify mathematical symbols:
+, -, =
- Develop strategies for reasoning and problem solving.
- use mathematical talk.
- find and make number bonds
- subtract crossing 10
- use money
- tell the time

As athletes, we will be developing...

- Multi Skills
We will be developing techniques for sending and receiving, agility and co-ordination through ball games and activities.
- Movement and dance
We will be exploring different ways of moving using equipment and exploring ways to balance.

Transport

As artists and designers, we will be creating...

- Aboriginal art including decorating sticks with spots of paint and using sticks as tools for art.
- Animal prints - using a range of materials to recreate safari animal prints.
- Make our own vehicles

As scientists, we will be investigating...

- Materials and their properties
- by sorting and grouping
 - by observing closely
 - by doing experiments and tests
 - by making predictions and recording our findings,
- Animals from around the world
- Grouping types of animals including birds, fish, mammals, amphibians and reptiles.
 - Grouping animals according to what they eat and using the language of carnivores, herbivores and omnivores to describe them.

As geographers we will be finding out about...

- Places we could travel to in the United Kingdom, and the world.
- Maps of the local area, the UK and the World.
- how to link places through road, rail, water and air transport.
- Africa : comparing places in Africa to places at home.

We will be making simple maps, role playing being in a bus and other forms of transport, using small world play to investigate types of transport.

Fair Trade Fortnight

We will be using Fair Trade ingredients to make cakes with banana. We will look at where our ingredients have come from.
