

# YEAR 3 HOMEWORK TASKS

January - March 2018

- The tasks described below are designed to be meaningful and enjoyable activities that you can do with the support and involvement of other members of your family.
- **The first 3 tasks, shown in green, must be completed.**
- You may then choose to do as many of the other activities as you wish - one, two or even all of them, it's up to you!
- Think about how you will show which tasks you have done - e.g. photos with explanatory notes; a diary; a scrapbook perhaps?...
- Completed homework tasks should be handed in by **Monday 12<sup>th</sup> March**.
- Please be in touch if you have any questions... Enjoy!

Practise spelling and complete **weekly spelling homework** as usual.

Practise your words for a few minutes most days if you can and hand in your homework book each Friday.

By the end of Year 3, most children should know the **2, 3, 4, 5, 8 & 10 x** tables. Practise these tables **regularly** at home and ask someone to test you, perhaps when you are travelling in the car, out for a walk or at the dinner table.

Practise **telling the time** - anywhere, everywhere, as often as possible!

Try to practise both **analogue** (clock-face) and **digital** times.

Do some of your own **research** about an aspect **Ancient Egypt** that interests you.

Produce a factsheet to show what you have found out. Try to include at least 3 facts and 1 picture on your sheet.

Find a **poem** that you like and practise reading it out loud with lots of expression.

You might even like to try learning it by heart.

Be prepared to share your poem with the class and to explain why you like it.

Make a model of a **pyramid**, from anything you like!

(These are some examples made by a previous Year 3 class.)

Take a **photograph** of a view that you like or of something that you find interesting and bring a copy of it to school to share with the rest of the class. Be prepared to explain why you took the photograph and what it is you like about it.

Make a paper **collage** picture of a Springtime scene.

You could use torn paper, cut paper or a mixture of both.

Challenge yourself to **try something new**.

e.g. learn to set a table for dinner; learn to follow a recipe; try a new craft; learn a new gymnastics move; try a new food...

The possibilities are endless!
