

As writers, we will be publishing...

Non Fiction

- Finding facts about sea creatures using nonfiction books

Fiction

- Exploring the story of Rainbow Fish.
- Describing a setting using our senses including adjectives.
- Identifying and describing the main character in a story.
- Planning and writing a pirate story.

As scientists, we will be...

- Learning about some of the plants that grow in the sea.
- Identifying a number of different sea creatures.
- Looking at food chains and creating our own.

As Mathematicians, we will be learning to...

- Identify how many 10s and 1s are in a number using dienes to help.
- Add and subtract 1 and 2 digit numbers using number lines and number squares to help.
- Solve problems counting in 2s, 5s and 10s.

Measure

- Recognise the value of coins and notes and solve one step problems with money.
- Identify halves and quarters of objects and amounts and to use this language to solve practical problems.
- Tell the time to o'clock and half past.

Under the Sea!

As artists, we will be creating...

- Art using water including bubble prints and ink.
- Prints of sea creatures using sponges.
- Creating a rainbow fish using celery sticks!
- Designing and creating our own jelly fish using materials.

As geographers and historians we will be finding out about...

- Beach holidays now and in the past.
 - Using photos to find information.
 - Looking at similarities and differences in clothes, forms of transport and entertainment.
- Using a pirate map to find treasure around the school!
- Creating flags from around the world for pirate ships or sandcastles when we visit the beach for beach school!

As athletes, we will be...

- Practicing balls skills - catching, throwing, passing, dribbling.
- Taking part in team games.
- Learning correct techniques for carrying and handling rugby balls.
- Learning basic rules of football to take part in a game.

As information technicians, we will be...

- Labelling a fish using Microsoft Word.
- Creating an animation of an underwater creature using the program 2Animate.

As musicians, we will be...

- Singing and using instruments to perform under the sea songs including our own actions.

This half term we will also be starting beach school!
