Life Boat Centre Visit?
Sea Life Centre Visit?

Over Islands and Across the Sea

Art:

Foil sea life shapes, Modrock, create a whole class map of Katie Morag Island - using ice painting.

PSHE:

Good to be me
thinking feelings and making them positive. Looking at, and respecting, the similarities/differences between people.

Science:

Living things and their habitats

- explore and compare the differences between things that are living, dead, and things that have never been alive
- identify that most living things live in habitats to which they are suited and describe how different habitats provide for the basic needs of different kinds of animals and plants, and how they depend on each other
- identify and name a variety of plants and animals in their habitats, including micro-habitats
- describe how animals obtain their food from plants and other animals, using the idea of a simple food chain, and identify and name different sources of food.

Geography Islands - Katie Morag

Life on an Island., What islands do we know? What are we surrounded by? The United Kingdom as an island. Differences- advantages and disadvantages of living on an island. Island maps- pirate maps. Jobs on the island. Weather on islands - comparisons. Travelling to an island and how we could get there. Creating/looking at maps. Haverigg Lighthouse Centre; why is it important?

Literacy:

Non Fiction - fact sheet about animals under the sea

Poetry - 'Patterns on a Page'.

Poetry- looking at patterns and word creation on the page. Perform some Seaside poems.

Descriptive Writing - description of different scenes.

Links to **Katie Morag** - book reviews.
