

Haverigg Primary News

Friday 13th June 2025

SPORTS DAY - We are crossing fingers for a dry day on **Monday 16th June** for our planned Sports Day! All being well, the day will start at 12.30pm at Haverigg Cricket Club. Children will be required to wear a T shirt colour appropriate to their house:

Whicham = White
Hodbarrow = Red
Lacra = Blue

If you are unsure which house your child is in, please ask their class teacher.

If bad weather does not allow us to go ahead on the Monday, we will revert to our reserve date of Wednesday 18th June. In the unlikely chance of a sunny day...please remember sun cream and sun hats! Thank you.

New for 2025 - we would love to see as many parents / grandparents wearing the same colour top as their children to help cheer their house along! We know you won't let us down!

See you all at the cricket club on Monday 16th June.

Whitehaven Science Fair - Year 4 visited the Science Fair in Whitehaven on Thursday. This was organised by Sellafield, Nuclear Waste Services and Whitehaven Town Council, showcasing how local companies in the nuclear sector use robotics and technology to remove the human from harm at work. The children enjoyed exploring a range of exciting and engaging exhibits being developed right here in our community, including Spot the Dog, interactive games and testing how steady their hands are on the buzz wires!

Attendance Matters

Every Day Counts....

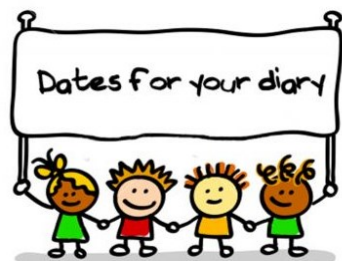

What is considered good attendance? Regular and punctual attendance is essential for effective learning, promoting positive relationships and developing good attitudes to education. **A child's attendance at school is expected to be 96% and above.** Anything that is below this needs to be addressed by school to ensure attendance improves. We need to ensure that all children attend school regularly as it is important for friendships and academic progress/success.

POLICE MESSAGE
Parking problems at drop-off and pick-up times

Dear Parent/Carer,

Concerns have been raised about parking around the school at peak times. Examples of poor parking have included blocked pavements, parking over dropped curbs, on zig-zag road markings and other access points. This seriously increases the risk of harm to children trying to safely cross the road, as well as causing access problems for local residents.

To help minimise the risk to children and ease the disruption to residents by those that park in this way, police will be conducting an operation to educate motorists on parking laws and if necessary, prosecute those who park illegally.

Drivers, who have not done so to date, are asked to park legally and considerately, away from the school entrances and only park against full kerbs.

Please do not park or pull over to drop children off in front school entrances, driveways, zig-zag road markings and dropped kerbs. Please also avoid parking in front of the pedestrian entrance to the school site. Failure to do so could result in a prosecution leading to a FINE or even PENALTY POINTS being issued for certain offences.

Please see leaflet accompanying this letter for details of road signs and markings which show where you shouldn't park.

What can you do to help?

There are a number of ways you can help resolve this community matter:

- Those living nearby can avoid the cost and inconvenience to themselves and others by walking children to and from school.
- Parents can consider lift sharing with friends and/or neighbours.
- Using the parking spaces on nearby roads which are often unused, would relieve pressure on areas closer to school entrance points.
- Allow yourself more time to find safe considerate parking.

Your help and efforts to resolve this issue is appreciated by the police and the school management. Your local policing team would be happy to discuss any issues or concerns you have with these issues.

Kind regards

Your Neighbourhood Policing Team
